

Visit of PADMA BIBHUSAN Dr. B. Muthuraman to INTEGRATED DEVELOPMENT SOCIETY (IDS)-KORAPUT with his visiting Note
FORMER VICE CHAIRMAN-TATA STEEL

19/11/2016 It was a touching experience for me and my son to visit this orphanage and spend time with the children, the administrators and with Mr. Behara. The children are delightful and prove that given equal opportunity as others, they can outshine others. The leadership team under Mr. Behara are doing an outstanding job and doing a lot of personal sacrifices for a noble cause. There cannot be a more noble cause than bringing up "given up" children and make them a part of the society.
 My son Kachyap and his wife Sarayu are proud that they are

adopting a girl child - Kavya Bharu - from this wonderful orphanage.
 My best wishes to all

 B. MUTHURAMAN
 Former Vice Chairman
 Tata Steel
